Consequent on the marriage Kum. Sudha Chintaman Gokhale, desires to be known and addressed as Smt. Neela Sudhakar Dixit.

Kum. Sudha Chintaman Gokhale

**NOTIFICATION BY THE SAURASHTRA OIL AND OILSEEDS ASSOCIATION LTD., RAJKOT**

The approval of the Secretary, Forward Markets Commission under Sub-section (1) of Section 11 of the Forward Contracts (Regulation) Act, 1952 (74 of 1952) read with Notification of the Government of India, Ministry of Commerce and Industry No. S.O. 1162, dated the 4th May, 1960 has been obtained to the following set of Bye-laws proposed by the Saurashtra Oil and Oilsseeds Association Ltd., Rajkot, the same having been previously placed on the Notice Board of the Association, pursuant to Section 11 of the said Act and Rule 11 of the Forward Contracts (Regulation) Rules, 1954.

**Bye-laws relating to hedge contracts in Groundnut Whole (Undecorticated)**

1. For the purpose of trading in hedge contracts in Groundnut Whole, there shall be hedge contracts in Groundnut Whole, the terms and conditions of which shall be as per the following Bye-laws.

2. All the Bye-laws of the Association relating to Groundnut Oil/Groundnut Kernels as may be in force from time to time shall also be applicable to all matters connected with Groundnut Whole in so far as those matters are not specially dealt with in these Bye-laws for Groundnut Whole and are not repugnant to these Bye-laws.

3. *Basis of the contract*—Groundnut Whole (undecorticated)—Bold Variety—grown in any part of the Gujarat State shall be the basis of the contract. Summer crop shall not be tenderable. Groundnut Whole grown outside the Gujarat State shall also not be tenderable.

For Groundnut Bold, the basis of yield shall be 71 per cent of Groundnut Kernels i.e. for every 100 kilograms of Groundnut Bold the yield shall be 71 kilograms of Groundnut Kernels. For Groundnut Small, the basis of yield shall be 75 per cent of Groundnut Kernels i.e. for every 100 kilograms of Groundnut Small, the yield shall be 75 kilograms of Groundnut Kernels. At the time of determining the yield, a sample of Groundnut Whole weighing 300 Grams shall be taken.

If the yield is above or below the basis mentioned above, the seller and the buyer shall pay the differences i.e. in the case of Groundnut Bold, if, for instance, the yield is 74 per cent, the buyer shall pay to the seller an allowance (premium) of 3 per cent of the value of Groundnut Kernels and if the yield is less than 71 per cent, the seller shall pay to the buyer a proportionate allowance (discount). In the same way, the allowances shall be payable for Groundnut Small.

If, however, the yield from Groundnut Bold is less than 67 per cent or from Groundnut Small less than 71 per cent, the buyer shall have the option to reject the goods.

*Illustration*—Suppose the yield from Groundnut Bold is 78 per cent of Groundnut Kernels i.e. 2 per cent above the basic yield and the price of Groundnut Bold is Rs. 15/- per 20 kgs., i.e. the price of one unit of 6,000 kgs. is Rs. 4,500, the premium payable by the buyer to the seller shall be worked out by multiplying 4,500 by 2 and dividing the product by 71, the resultant quotient will be Rs. 126.76, the remainder being ignored. The buyer shall pay to the seller Rs. 126.76 as premium.

If the seller gives delivery of Groundnut Small, the buyer shall pay to the seller a premium of 62 nP. per each 20 kgs. of Groundnut over the contract rate.

4. There shall be four contracts in a year each known after the calendar month, namely, January, April, July and September.

5. The unit of quotation shall be 20 kilograms of Groundnut Whole. The unit of trading shall be 6,000 kilograms consisting of 150 bags, each bag weighing 40 kilograms of Groundnut Whole including the weight of the bag.

6. The latest day for giving delivery of the contract goods for different delivery months shall be the 15th date of the relevant contract month.

The delivery order shall be issued at the clearing rate fixed on the 1st date of the month of the contract but if the 1st date is a non-working day, then on the preceding working day. The clearing rate shall be fixed by the Local Committee concerned after taking into account the ready market rates and any other relevant circumstances which they may in their discretion deem fit. On the 2nd working date, there shall be tallying of outstanding positions between the parties to the contract and the statements of outstanding business shall be sent to the concerned Ring Office. On the 3rd working date, the payment of differences, if any, shall be made between the contracting parties through the Clearing House. On the same date the seller shall send intimation to the concerned Ring Office of his outstanding sales and the Ring Office shall issue the delivery orders proportionately. The Local Committee concerned shall fix the due date rate on the 8th working date at the closing rate of the 8th working date taking into account the ready market rates and any other relevant circumstances which they may in their discretion deem fit. The seller shall arrange to send the contract goods to the godown of the buyer latest by the 15th date of the month of the contract. If the 15th date is a non-working day, then the delivery shall be completed on the preceding working date of the month. No delivery shall be taken or given on a bank holiday between the 4th working date and the 15th date of the month.

7. If the seller does not intimate by the 8th working date of the contract month to the Ring Office concerned about the issue of the delivery orders in accordance with his outstanding sales position as pertaining on the 1st date of the contract month, (for instance if the contract month is January, then on the 1st date of January) he shall be liable to pay a penalty to the buyer at the rate of Rs. 0.30 per 20 kgs. of Groundnut Bold plus the difference between the Due Date Rate and the clearing rate or the contract rate, whichever is applicable.

8. If there are not as many delivery orders as the outstanding sales, the issued delivery orders and penalty will be distributed proportionately to the outstanding buyers.

9. If the seller, having issued the delivery order, does not send the goods to the buyer by the 15th date of the delivery month, he shall be liable to pay to the buyer the difference between the clearing rate and the rate as is fixed by the Local Committee concerned on the said date of the delivery month after taking into account the ready market rates plus double the penalty at the rate of Rs. 0.60 per 20 kgs. of Groundnut.

10. If the buyer, after the delivery order has been issued, fails to take delivery of the goods, the seller after intimating the same to the concerned Local Committee and after the Local Committee on due inquiry has given its approval, shall sell the contract goods at the prevailing market rate at the cost and risk of the buyer. If any loss is suffered by the seller, he shall recover it from the buyer plus the penalty at the rate of Rs. 0.30 per 20 kilograms of Groundnut, but if the seller makes any profit, the same shall not be given to the buyer.

11. Unless otherwise stipulated in the contract, the seller shall give delivery of the goods at the buyer's godown within the municipal limits of the ring centre where the contract is entered into. If the buyer's godown is outside the municipal limits but is in the city extension area or within the port area, then also the seller shall send the goods to that godown.

12. *Bagging*—The gunny bags for packing Groundnut Whole shall be at least second-hand and without patches. The black-fibre (Kali-Dhari) bags shall not weigh more than 1.175 kgs. (2½ seers) and the white-fibre (Safed-Dhari) bags shall not weigh more than 0.950 kgs. (2 seers). Darned (rafu) bags will not be considered as having patches and shall be accepted in bagging. Oily and cement bags or bags made of any other material shall not be acceptable.

13. *Weightment*—Each and every bag of the contract goods shall be weighed but by mutual agreement between the buyer and the seller, 15 bags out of every 150 bags may be weighed and the average weight of one bag shall be fixed on the basis of such weightment and the weight of all the bags shall be fixed on the basis of such average weight of one bag. The expenses for weighing 15 bags or for weighing the whole lot of bags shall be borne by the buyer.

14. *Refractional allowance*—(a) In ascertaining refraction, from each lot of every 150 bags, the buyer shall take out any seven bags.

(b) Any other foreign matter, dust or twigs attached to the shell of Groundnut Whole can be removed and taken as refraction if they were removed from the shell at the time of ascertaining the yield but if the yield was ascertained without removing these, any other foreign matter, dust or twigs attached to the shell shall not be removed from the shell while ascertaining refraction.

(c) The Board shall fix a standard wire-mesh for settling refraction and each buyer shall keep with him such a wire-mesh. The seller may pick out and put, in the goods, any Groundnut Whole or Kernels found in the separated refraction i.e. it shall not be considered as refraction and the buyer may pick out any dust, stones, any other foreign matter and twigs not attached to Groundnut Whole found in Groundnut Whole lying on the wire-mesh, which shall be considered as refraction.

(d) Any foreign matter, except Groundnut Whole and Groundnut Kernels contained in such seven bags shall be considered as average refraction.

(e) When settling refraction, Groundnut Whole containing any small seed (gogdi) in it shall be taken as Groundnut Whole but a Groundnut Whole without any seed in it shall be taken as refraction.

(f) No refraction shall be allowed free.

15. *Payment against goods*—The payment of 90% of the value of the goods shall be made by the buyer to the seller against the delivery of the goods and the balance 10% after the refraction is settled and accounted for. If, however, against the delivery of goods, the seller and the buyer does not mutually agree regarding payment, the buyer shall deposit 100% of the value of the goods in the Ring Office concerned and the seller shall receive 90% from the Ring Office when the buyer has intimated to the Ring Office about the receipt of the goods or the seller hands over the buyer's receipt of the goods to the Ring Office and the balance of 10% after the question of weight and refraction has been settled. The question of weight and refraction shall be settled within a maximum period of 72 hours of the delivery of the goods.

16. The settlement rates for hedge contracts in Groundnut Whole under the provisions of these Bye-laws shall be fixed every week and the Local Committee concerned shall fix such rates every Saturday after the market is closed. It Saturday is a holiday fixed by the Board, then, such rates shall be fixed on the preceding working day.

17. The clearing shall be effected in accordance with the Bye-laws relating to hedge contracts in Groundnut Oil/Groundnut Kernels.

18. If the rates fluctuate on either side by Rs. 0.50 above or below the preceding weekly settlement or the last special clearing rates, a special clearing shall be declared. If there are two consecutive special clearings on either side, no third special clearing on the same side shall be declared till the payment under the first special clearing is settled. Also no transactions shall be effected even by making a cash payment at, above or below the rate at which a third special clearing on the same side would become due. Such transactions shall be considered illegal.

19. Every member shall have a free limit of 'oliya' of 45,000 bags i.e. 300 units of Groundnut Whole.

Any member shall be entitled to exceed the above limit upto a maximum limit of 75,000 bags i.e. 500 units of Groundnut Whole, on payment of the following trading deposits to the Clearing House through the concerned Ring Office:—

Quantity	Trading Deposits
On every 150 bags (i.e. one unit) exceeding the above free limit	Rs. 150.00
No member shall exceed the above maximum limit of 75,000 bags (500 units) even on payment of trading deposits.	

20. The Board shall, on the recommendations of the Local Committees concerned or otherwise, prescribe from time to time the rate of laga or cess at different rings. Until laga is so prescribed, the following shall be the rate of laga payable:-

On every sale transaction of one unit of trading of Groundnut Whole	Re. 0.10
---	----------

The laga at the above rate shall be payable by the seller.

21. The Board shall, on the recommendations of the Local Committees concerned or otherwise, prescribe from time to time the rates of brokerage at different rings. Until so prescribed, the following shall be the rates of brokerage payable:-

On every sale transaction of one unit of trading of Groundnut Whole	Re. 0.50 at Surendranagar Ring
On every sale transaction of one unit of trading of Groundnut Whole	Re. 0.75 at all the other Rings

The brokerage at the above rates shall be payable by the seller.

22. This contract shall be liable to stamp duty, if any, imposed by the Government from time to time.

23. Every member shall pay the amount of laga, brokerage and/or charity cess in the Ring Office concerned every month or such other period as the Board may prescribe from time to time.

24. The Board shall have the power, on the recommendations of the Local Committees or otherwise, to levy any charity cess and/or any other tax on the transactions in hedge contracts in Groundnut Whole entered into under the provisions of these Bye-laws.

25. The Board shall have the power, on the recommendations of the Local Committees concerned or otherwise, to prescribe survey fees, penalties or any other charges as are not prescribed in these Bye-laws.

26. Hedge contracts in Groundnut Whole between members and between members and non-members shall be in writing, but a memorandum relating to such contracts made in the books maintained by members and initialled by the respective parties or their representatives or entered by the registered brokers in such books, shall satisfy the requirements as to writing. When such contracts are otherwise reduced to writing, they shall contain a provision that they are subject to these Bye-laws or words to a similar effect. Members are recommended to use one or the other of the appropriate forms given in the Appendix of the Bye-laws.

27. All claims, differences and disputes, whether admitted or not (other than the disputes relating to survey of the goods) arising out of or in relation to the hedge contracts in Groundnut Whole entered into between the parties under these Bye-laws shall be referred to the arbitration of the Association and the Bye-laws of the Association relating to Arbitration and Appeals shall apply.

28. All disputes arising out of contracts entered into under these Bye-laws regarding weight, refraction, quality and bags shall be referred to the surveyors, who shall have no interest, direct or indirect whatever in the goods under survey. If there are any disputes with regard to quality differences, the surveyors shall decide the same taking into account the prevailing spot market conditions. The Bye-laws of the Association relating to survey shall apply, *mutatis mutandis*, to the hedge contracts in Groundnut Whole also and the surveyors shall conduct the survey work on the basis of the provisions made in these Bye-laws.

29. Any dispute regarding contracts which are entered into in contravention of the above provisions shall not be heard either by any Arbitration Committee and/or the Board.
